## About Us

We are a group of simple, New Testament Christians meeting in Inver Grove Heights who are trying to be like the church that you read about in the Bible. We shun man-made doctrines, church politics, and too much emphasis upon money as these things displease the Lord. We believe that you will find us to be Christ-centered and truth loving.

## Come Join Us

We invite you to join us throughout the summer for our series, "Comprehending The Incomprehensible Love of God." Your faith will be strengthened, your joy deepened, and your hope renewed.

## Comprehending The Incomprehensible Love of Christ

### **The Amazing Love of God**

This summer's series is about something that we hear about all the time, but in fact we know very little about. The amazing love of God.

### **God's letter of Love**

It doesn't take very long in reading the scriptures to begin to take notice that God has a profound love for His creation, namely mankind. We might even say that the Bible is God's love letter to us. This summer series, our lessons are designed to look throughout the Bible; seeking to appreciate and perhaps appropriate the love that God has for us. As John said, "what great love the Father has bestowed on us that we should be called children of God."
